Stair Space Utilized For Furnace In The No Basement Plan

PLAN AVAILABLE WITH OR WITHOUT BASEMENT

FEATURE HOMES
© By W.D. FARMER

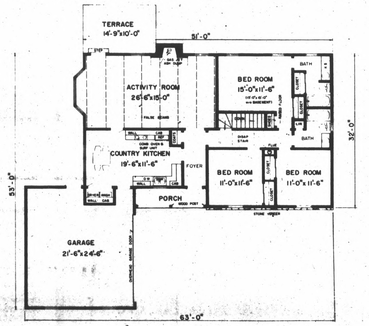
A separate foyer directs you to one of three areas, the bedroom wing, the country kitchen, or the family room.

The country kitchen includes built-in appliances, a laundry area and an eating area of comfortable size. An additional eating area for formal occasions, can be located in the end of activity room near the bay area.

The huge activity room is shown with terrace access, firplace and false beam ceiling.

There is a basement stair from the bedroom wing and a disappearing stair is shown for attic storage.

The master bedroom includes two closets and a private tub bath. A central bath services the two remaining bedrooms and daytime use.

The cottage exterior is enhanced by an L-shape, recessed porch and wood and stone combination construction.


The plan is number 585A. It includes 1,571 square feet of heated area. All W.D. Farmer plans include special construction details for energy efficiency and are guaranteed to meet F.H.A. and V.A. requirements. For further information on plan 585A, write W.D. Farmer Residence Designer, Inc., P.O. Box 49463, Atlanta, Ga. 30359.
